

Rogers support for our customers and communities in response to COVID-19

For all BC Public Sector employees,

At this time of uncertainty, we want to ensure you that we are here to support your organization's telecommunications needs. We are working diligently to support our customers and communities at this difficult time, and want to share what we have in place for customers as well as our latest offers to help employees stay connected to their colleagues, friends and family.

Keeping your Employees Connected: We continue to service you with a great offering of wireless plans and discounts:

- > Up to 30% off Rogers Infinite unlimited data plans
- > For a limited time: \$300 bill credit over 24 months, when customers activate a plan with Financing
- > Find more exclusive limited time offers online.

Keeping Canadians Connected:

Between March 16 and April 30 Rogers will be automatically:

- > Waiving all long distance charges for wireless consumers and small business customers for calls to anywhere in Canada
- > Waiving Roam Like Home and all pay-per-use roaming fees for all postpaid consumers and small business customers in all available destinations
- > Ensure services will not be suspended or disconnected for any customers experiencing financial difficulties over the next 90 days and provide customers facing financial uncertainty because of Covid-19 with more flexible payment options

Thank you for being a valued Rogers customer.

Employees can still place orders through:

www.imaginewireless.net/bcpublicsector

If employees do not have access to their corporate account at this time, please let us know how we can help.
