

Software Discounts

A Microsoft Office 365 subscription is free to all Students, Faculty and staff

With the exception of Microsoft Office 365, Royal Roads does not have any other agreement in place for software at a discounted price.

As with all educational institutions, active Students, faculty and staff are eligible to purchase software at a discounted price through many company sites as long as they provide their RRU email address when registering.

Adobe's Educational site

<http://www.adobe.com/ca/education.html?marketSegment=EDU>

Requirements for purchase in the Adobe Education Store:

You will be required to fax or email a valid copy of academic identification after your purchase is completed. Only after receipt and validation of your identification will your product be made available to you.

Apple has an Educational store
