

# MyAdmin account

Your MyAdmin account is a life-long learning account that provides on-demand access to many [administrative services](#) you may require during your lifetime both as a student and an alumnus. This persistent account is available to you life long regardless of whether you are taking a current program or not.

## Services available on the MyAdmin site

We are continually adding new self-serve options to the [MyAdmin website](#) to make it easy for you to do the following:

- Upload a photo for your RRU student ID card
- Make a payment online, view your account balance, statement of account, and receipts
- Apply for residency housing
- View your statement of grades
- T2202A Tax Form
- Submit an application to attend convocation
- Update your contact information
- [Change your password or forgot your password](#)

## How to create this account

If you applied online for a Continuing Studies or Credit course after **March 2011**, this persistent, Lifelong Learning (MyAdmin) account was created automatically for you and uses your personal email address as your login. If you applied prior to **March 2011**, and haven't yet created a Lifelong Learning (MyAdmin) account for yourself, you can do so on [MyAdmin](#).
